

Non Half Hourly Electricity Rate Cards

Large Business Customers EDF Energy 2013

Version 0.1

Which rate table do you need to reference?

On pages 3 and 4, you will find summary tables of the rates that are published.

This table will help you identify the correct table number containing your rates.

You will be 1 of 3 types of customers

- 1) EDF Energy - British Energy legacy customer (for any account that resides in the British Energy legacy systems currently), or
- 2) EDF Energy Major or Multi-Site customer, or
- 3) EDF Energy Small Medium Enterprise (SME) customer.

You will be on 1 of 3 rate schemes

Tariff, Deemed or Extended Supply in accordance with your status. The rates published are differentiated by the meter type and profile class of that meter.

NB. There are 2 sets of tables for the 2 most recent rate cards.

All prices in the rate card tables exclude VAT, Metering Charges and Climate Change Levy (CCL).

e-documents - a better way of working

Why an e-document? At EDF Energy we are committed to using the most sustainable working practices wherever possible and this includes when delivering communications to our customers.

E-documents significantly reduce the volume of printed material we need, reducing our carbon footprint.

Our customers appreciate e-documents because they offer timely delivery of easy to access information in an ideal format for the modern screen based working environment.
