

A day in the life of Market Insight

EDF Energy makes it easy for you to keep on top of changes in the energy market with our 24/7 Market Insight energy portal.

Whether you visit daily, drop in monthly or just take a quick look quarterly, you'll find up-to-the-minute insight that can help you track prices and get the story behind them from our trusted forecasting experts. So you can have more informed conversations and make better decisions about the energy you use, buy and recommend.

9am

6pm

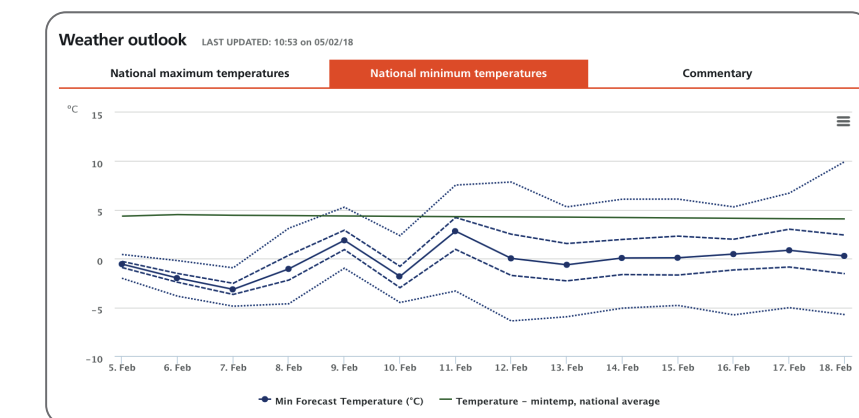

Weather Outlook

What is it?

Your morning forecast of the day's weather from the Met Office including changes to minimum and maximum temperatures for the day.

What is its value?

An early morning indicator of how temperatures are likely to shape demand for power throughout the day.

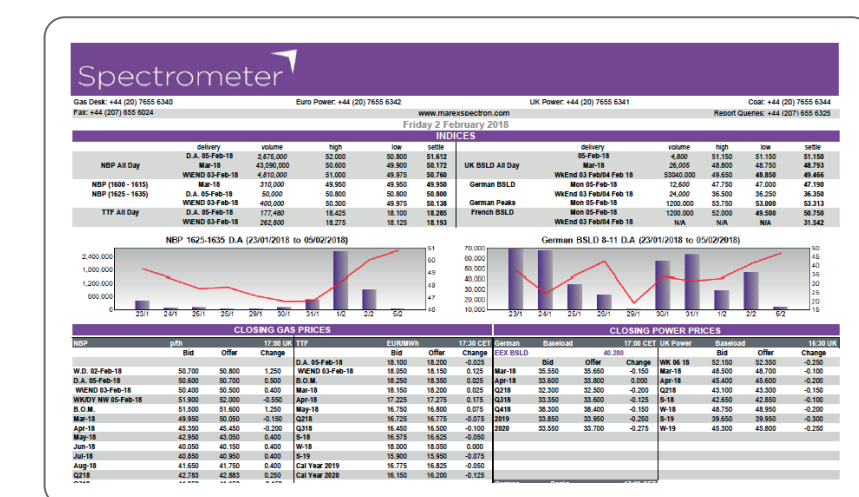

Spectrometer

What is it?

A round-up of the previous day's closing prices by MaresSpectron, covering the UK and key European markets for power, gas, coal and emissions.

What is its value?

A fast, one page update on the key markets that affect wholesale energy prices.

1pm

Commodity Report

What is it?

A dashboard charting the changes to the power and commodity market prices over time, on a daily and weekly basis, with commentary from EDF Energy market experts.

What is its value?

Follow market trends with insights into the key movements that could affect your next purchase.
