

How Market Insight can help you

EDF Energy makes it easy for you to keep on top of changes in the energy market with our 24/7 Market Insight energy portal.

Whether you visit daily, drop in monthly or just take a quick look quarterly, you'll find up-to-the-minute insight that can help you track prices and get the story behind them from our trusted forecasting experts. So you can have more informed conversations and make better decisions about the energy you use, buy and recommend.

Click on any report to find out more about it and its value to you 

Weather Outlook

Your morning forecast of the day's weather from the Met Office including changes to minimum and maximum temperatures for the day.

Spectrometer

A round-up of the previous day's closing prices by MarexSpectron, covering the UK and key European markets for power, gas, coal and emissions.

Wholesale Price Updates

A twice-daily update of the latest wholesale prices with insight and analysis from EDF Energy market experts.

Commodity Report

A dashboard charting the changes to the power and commodity market prices over time, on a daily and weekly basis, with commentary from EDF Energy market experts.

Market Pulse

An independent fortnightly briefing including price trends and analysis of the key energy and commodity markets.

Regulatory Report

Your monthly round up of the latest decisions and discussions driving energy regulations.

Monitor Report

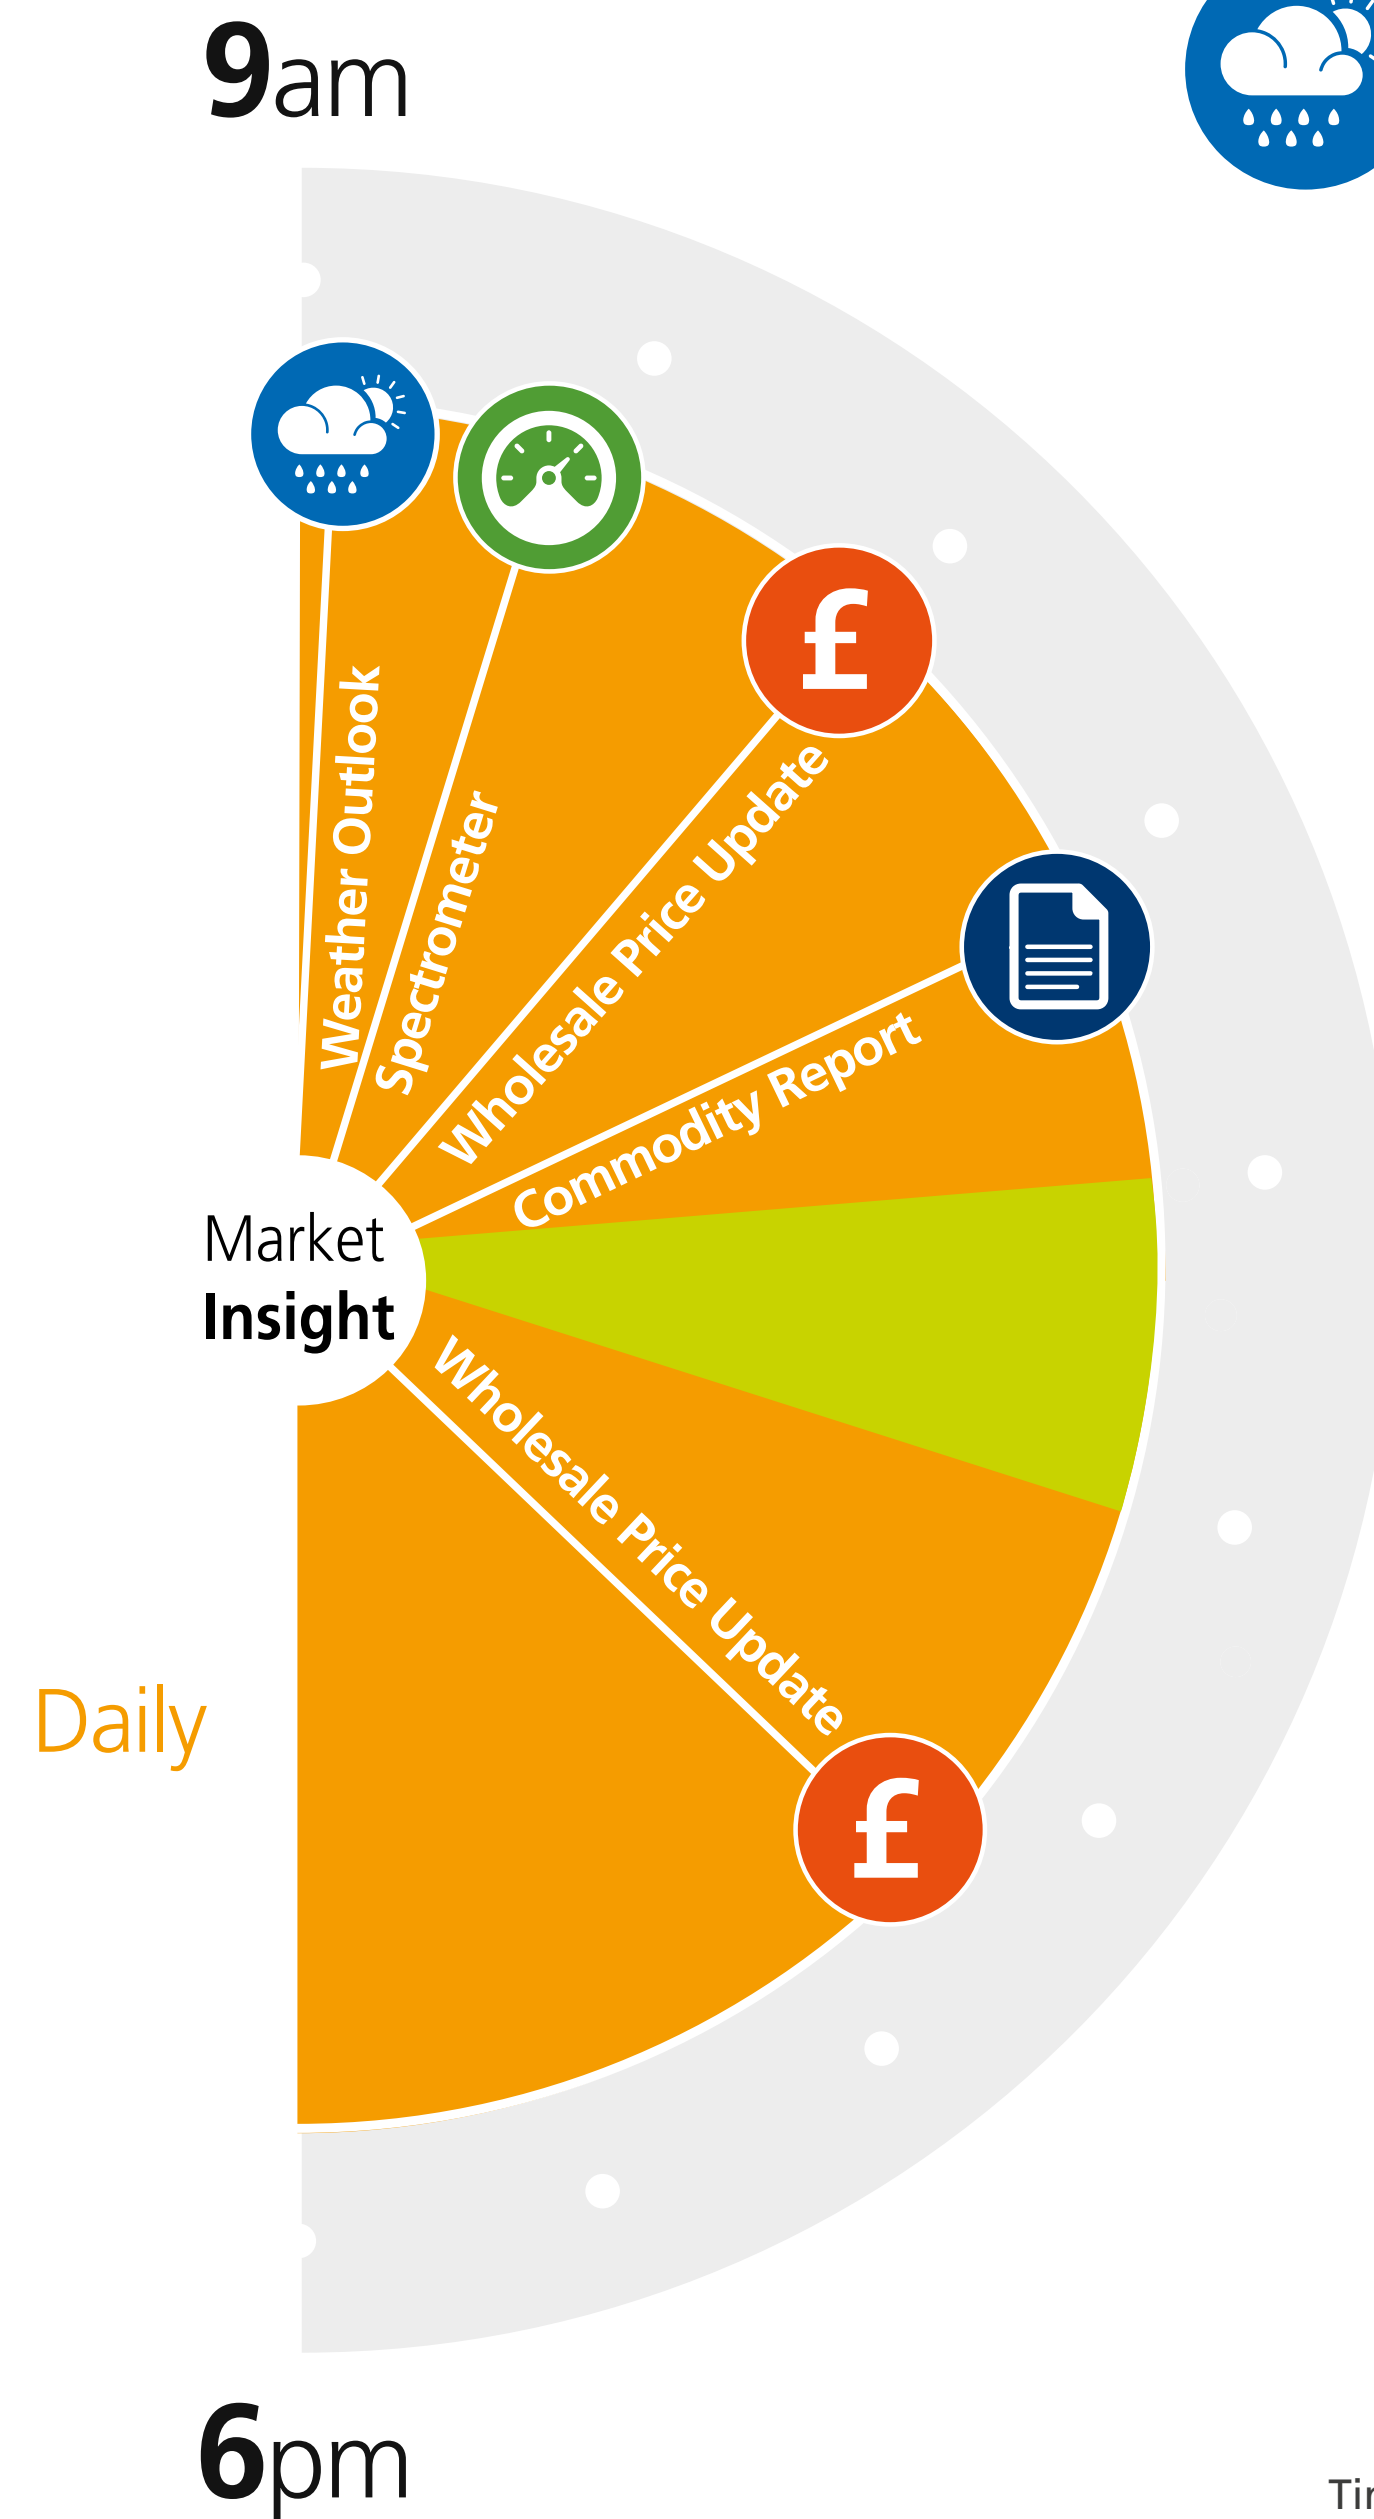

A quarterly magazine with our latest view and forecast for each individual Non-Energy Cost.

Wholesale Price Updates

What is it?

A twice-daily update of the latest wholesale prices with insight and analysis from EDF Energy market experts.

What is its value?

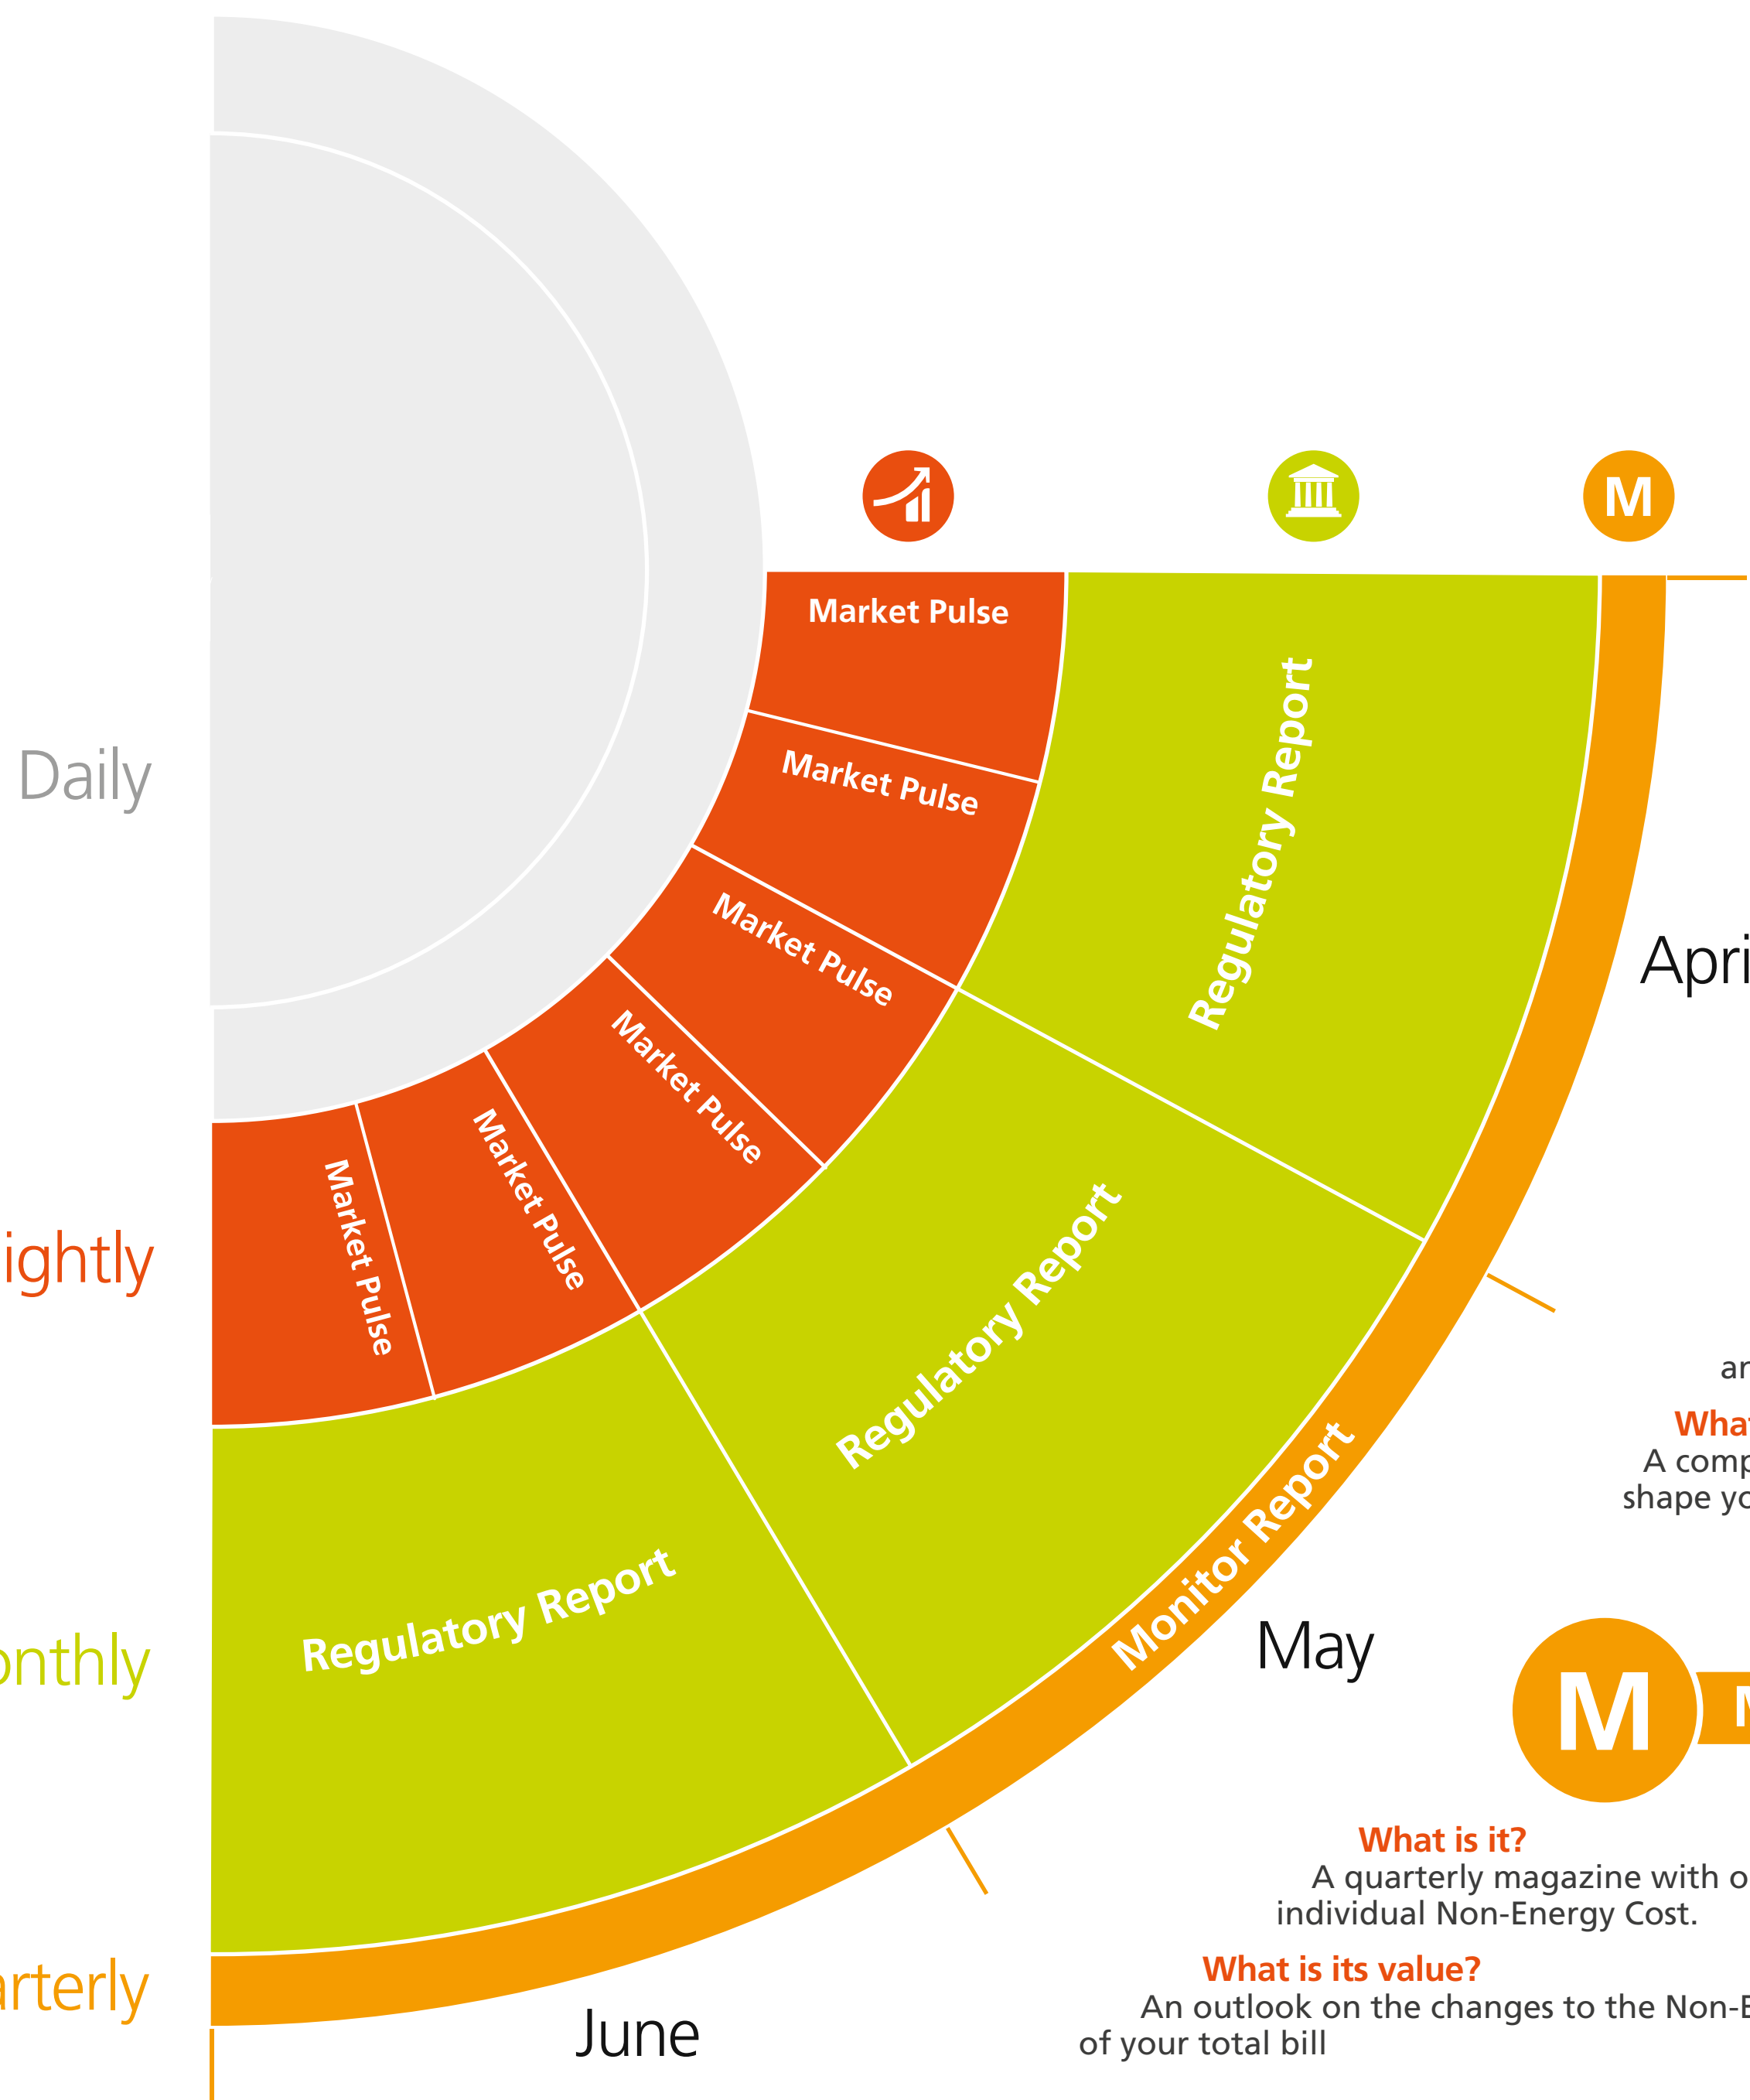

Timed for the two periods in the day when the market is most liquid to help inform your trading and purchasing decisions.

A quarter in the life of Market Insight

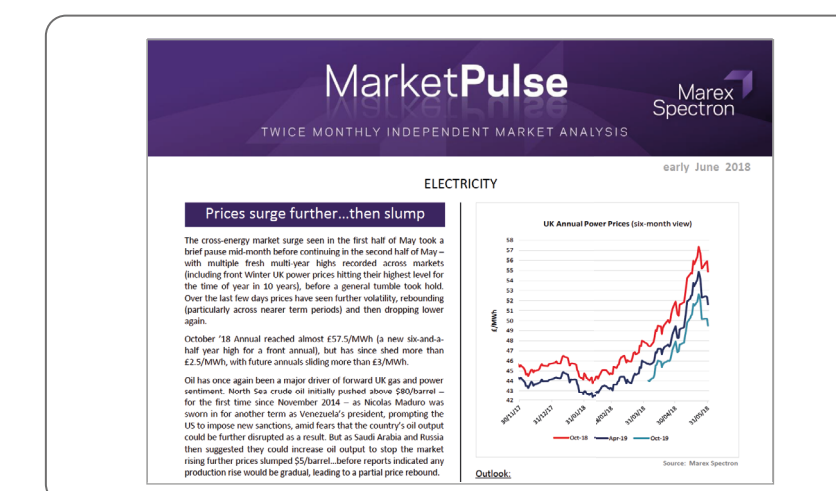

Market Insight offers you a broader view on the key movements that affect your total energy costs – with insights into recent energy market trends and forecasted changes to Non-Energy Costs.

Market Pulse

What is it?
An independent fortnightly briefing including price trends and analysis of the key energy and commodity markets.

What is its value?
Insight into the latest market movements and the factors driving them.

Regulatory Report

What is it?
Your monthly round up of the latest decisions and discussions driving energy regulations.

What is its value?
A comprehensive view of regulatory changes that will shape your energy costs in the months ahead.

Monitor Report

What is it?
A quarterly magazine with our latest view and forecast for each individual Non-Energy Cost.

What is its value?
An outlook on the changes to the Non-Energy Costs that make up 60% of your total bill
